

Leeds Local Offer & Leeds Parent Carer Forum March 2026

Opening

The Leeds Parent Carer Forum and Leeds Local Offer Team consulted with parents and carers via an online survey during February / March 2026 to explore evening sessions with families.

12 parents / carers completed the survey and shared they would like evening sessions to be available.

Opportunity

The Leeds Local Offer Team works closely with the Leeds Parent Carer Forum and SEND services to provide helpful information sessions for parents and carers.

These sessions are designed to:

share useful information about SEND services.

give families the chance to speak directly with SEND professionals.

offer practical workshops for parents and carers.

Sessions predominately take place during the day. However, after feedback from working parents, we explored hosting evening sessions with families.

Feedback from survey:

- Evening sessions to run between 6pm and 9pm.
- Sessions to be in person rather than online.
